

## FSC HARDWOOD AND SOFTWOOD SLEEPERS

FSC (Forest Stewardship Council) sleepers are sourced from sustainable and environmentally responsible sources. The FSC principles ensure that there is due respect for the indigenous populations and their social and economic well-being, as well as for the ecological balance of local resources, ecosystems and landscapes.

Unipart Rail provides a complete range of softwood and hardwood sleepers in line with Railtrack Specification RT/CE/S/029.

Catalogue numbers for FSC sleepers differ from non-FSC only by the first two digits being 'FS' rather than '00'.

### HARDWOOD

CATALOGUE NUMBER	PRODUCT DESCRIPTION
